

## Talking Points

I am praying for you.

With your fellow Bishops, it is time to find a way to stop the trials of clergy engaged in extending pastoral care and the full ministries of the church to LGBT persons.

I am part of a vibrant United Methodist Church that extends its welcome to ALL people, including gay, lesbian, bisexual and transgender people.

I support same-sex weddings in our churches and by our clergy because...

I stay in the United Methodist Church because....

The United Methodist Church is engaged in such important mission and justice efforts, including recent efforts in the Philippines. This is what we should be making the front page of the Washington Post for, not for an unjust church trial.
